MEDIA INVITATION

Tuesday, 27 January 2016
Attention: News Editors

MEMBERS OF THE LEGISLATURE TO CONDUCT OVERSIGHT VISITS ON DEPARTMENTAL PROJECTS AROUND BUSHBUCKRIDGE LOCAL MUNICIPALITY

The Members of the Mpumalanga Provincial Legislature will conduct oversight visits around the Nkomazi Local Municipality from the 28th to 29th of January 2016. This is in preparation for the week-long programme of "Taking the Legislature to the People" scheduled to take place in March this year. Members of the Social Cluster and the Economic Cluster Committees will be joined by councillors from the municipality and representatives from the various departments.

This is part of the Legislature's constitutional mandate of conducting oversight on government projects. This will give an opportunity to Members of the Legislature to get first-hand information on the progress and the effectiveness of the projects and infrastructure development around Bushbuckridge Local Municipality.

The oversight visit will help to assess service deliverables as outlined in the department's Annual Performance Plans, to assess whether public resources were utilized effectively and efficiently and to assess the operational status of the projects.

A detailed pre-TLP activity plan is attached.

The attendance by the media representatives for subsequent coverage will be highly appreciated.

Please confirm your attendance with Ms Thulile Nkambule @ 013 766 1218 or 083 656 2762.
